

THERMOSET TOPCON
Madison, Wisconsin • April 30-May 1, 2024
Presented by SPE Thermoset Division

Attend the SPE Thermoset TOPCON – "World's Leading Thermoset Technology Conference & Expo"

THERMOSETS: REINFORCING INDUSTRY is our theme this year with a keynote on

"Empowering Women In Composites: Building Bridges and Strengthening the Industry" to be presented by Marcy Offner, Director of Events & Industry Partnerships at Composites One, and Founder of Women in the Composites Industry (WCI). Technical Presentations on Sustainability, New Additives to Improve Properties, Advances in Material Technologies, Modeling, and Processing will also be featured. Register now to learn about the latest thermoset technologies reinforcing products with added value and enabling innovative new and sustainable advancements in industry. Thermoset plastics are the strongest and most versatile materials for automotive; air and ground transportation; civil engineering; building and construction; off-highway equipment; medical; appliance; oil and gas; and a wide variety of other applications where structural integrity, lightweighting, and heat and corrosion resistance are important.

Here is a link to register to attend the event: <https://lp.constantcontactpages.com/ev/reg/4mbh86j>.

Here is a link to register at **The Madison Concourse Hotel And Governors Club** - just across the street and a block away from the Monona Terrace where the conference will be. Please do make your Hotel Reservations ASAP as only a limited number of rooms are available at the discounted rate of only \$219.

Sponsorship, Exhibit, and Presentation opportunities are available. There are many benefits that sponsorship provides including your Company Logo:

- On Signage at the event
- Posted to the SPE Thermoset TOPCON website with a link to your website
- Included in Marketing Communications

Sponsorship also includes:

- A Table Top (6 or 8 ft. Wide/your choice) and 2 chairs for Display at the event. This is a great opportunity to have a location at the event to meet with customers and prospects and promote your products and services.
- In addition to all of the above benefits, passes to the event are also included. A Silver sponsorship is \$2,500 including 1 pass, A Gold sponsorship is \$3,500 including 2 passes and a Platinum sponsorship is \$4,500 including 3 passes. (Passes are \$650 for Non-SPE Members and \$550 for SPE members.)
- A Lunch Sponsorship is also available for \$9,000 including 5 passes and additional corporate exposure including your logo on all tables as a centerpiece during lunch and on additional signage at the event "Lunch Sponsored by: Your Logo" or other promo and advertising message and premier location for your display.

Your sponsorship supports your Industry with educational programming communicating the benefits of Thermoset Technology in multiple markets.
