

THE WORLD'S LEADING THERMOSET TECHNOLOGY CONFERENCE & EXPO –
“THERMOSETS: SETTING NEW STANDARDS” INVITES OEM'S TO REGISTER FOR COMPLIMENTARY PASSES
 – THANKS TO OUR SPONSORS!

OEMs (Original Equipment Manufacturers) are invited to attend the SPE® Thermoset TopCon (Topical Conference) - The World's Leading Thermoset Technology Conference & Expo May 13 – May 14, 2025 at the Monona Terrace Community and Convention Center in Madison, Wisconsin as guests of our sponsors. The SPE Thermoset Division, and leading companies in the thermoset industry, produce the annual event to provide OEMs with the latest thermoset technologies to improve their products and manufacturing processes.

This event is designed to educate and update design and production engineers, sales personnel, and management at multiple OEMs and Tier suppliers about the benefits and expanding importance of thermosets and thermoset composites in passenger vehicles, light trucks, heavy trucks, motorcycles, other ground transportation applications, off-highway vehicles, military vehicles, aerospace, building & construction, oil & gas, household fixtures and furniture, plumbing, appliance, healthcare, sporting goods, sporting vehicles and more. The event provides excellent educational and networking opportunities and draws over 150 speakers, exhibitors, and attendees from the Wisconsin area and worldwide.

OEMs are invited to register as our guest free of charge so they can share challenges and future needs with the industry. OEMs (Original Equipment Manufacturers) are defined as companies that make products (equipment, vehicles, devices, or other items) made from component parts, machinery or materials bought from other companies.

Registration is easy. Go to <https://spethermosets.org/topcon/> and click on 2025 CONFERENCE REGISTRATION and scroll to OEM section. Passes include all keynotes, panel discussions, technical presentations, and networking sessions including breakfasts, lunches and receptions. Contact SPE Thermoset TopCon Event Chair – Sean Campbell at sean.campbell@lyondellbasell.com 615.561.4234 or Marketing Manager – Teri Chouinard at intuitgroup@gmail.com 248.701.8003 for more info. Thank you to our sponsors who make the event possible:
